THE WATER WORKS.

Meeting of the Water Committee-More New Officials Chosen. The water committee of councils met in council chamber last night and elected Wm. Stehman engineer of the city water works in place of David L. Deen, who has held the position for several years past. Mr. Stehman is a practical machinist and engineer, having learned his trade many years ago the management of Mr. Brandt. He is having been employed to set up the Birk-

the other pumps in the city mill. For assistant engineers Wm. Gibson and Charles Franciscus have been appointed in place of Amos Stableford and John Hamilton. Both of the new appointees are thoroughly competent, Mr. Franciscus being a son of John Franciscus who had charge of the water works many years ago.

The pipe-layers J. F. Kautz, and Sylvester Stableford take the place of W. S. Burns and Frederick Kline, who have for several years held the appointment. The new appointees are competent, reliable and industrious.

Contract Awarded.

The bids for furnishing of material for the city water works were opened at the mayor's office last evening. The contracts | Wednesday. were awarded as follows: Special Castings to A. C. Welchans at

23 cents per pound. Water Pipes to R. D. Woods & Co. of Philadelphia at \$39.90 per ton of 2000

pounds.

Ferrules to A. C Welchans at \$1 per piece. The contract for plug cases was not awarded.

Highly important and stupidly untrue. Alleged False Pretense.

Before Alderman Barr yesterday aftermoon was heard the case of false pretense brought by C. W. In this he was corroborated by several other witnesses. Alderman Barr dismissed the complaint. KIDNEY AND LIVER CURE.

WARNER'S SAFE Kidney and Liver

CURE. The greatest of Modern Medical Discoveries, A Vegetable Preparation and the ONLY SUKE REMEDY in the world for Bright's Disease, Diabetes and all Kidney, Liver and Urinary Diseases. There are a large number of testimonials of the highest character in support of these statements. Prof. Green, a distinguished allopathic physician of the South, in an article in the Medical Record, gives an account of the cure of two cases of Chronic Bright's Disease by this remedy, and advises all his brother physicians to use it in practice. R. Caulkins, M. D., of Rochester, N. Y., writes that he would prescribe the remedy to all afflicted with serious Kidney and Liver Diseases. Rev. J. E. Rankin, D. D., of Washington, D. C., tells of permanent cures effected by it, and says: "I do not doubt that it has great virtue." D. W. Bartine, M. D., D. D., of East Orange, N. J., certifies that it cured him of chronic Bright's Disease in two weeks. Rev. C. A. Harvey, D.

certifies that it cured him of chronic Bright's Disease in two weeks. Rev. C. A. Harvey, D. D., Secretary of Howard University, certifies; "I am convinced that no remedy heretofore used or described can be held for one moment in comparison with this." These are sample testimonials.

Two compounds; For the cure of Diabetes call for Warner's Safe Diabetes Cure. For cure of Bright's and the other diseases call for Warner's Safe Bitters, Safe Tonic, Safe Pills and Safe Nervine are also superior remedies, unequalled in their respective fields of disease.
